When asked what opportunities excite Cody the most about this new venture with Leary, he said “I am excited to be back on the road finding solutions for our customers.” Over the coming months, Cody will be training in the field with 26-year industry veteran, Mike Duffy. Duffy says, “We are enthusiastic about the addition of Cody Brant to our Sales Team. Cody brings industry experience, enthusiasm, and a willingness to absorb the vast amounts of information needed to assist our customers in their pursuit of higher quality and production improvements. With the addition of Cody on the Leary Sales Team, customers can look forward to increased response and effectiveness.”

Christian Espinoza will be servicing the growing customer base in Mexico and greater Latin America. He says, “What motivates me the most about the opportunity to be a part of the Leary team is being able to help solve problems for customers.” After three months of working for Leary, Christian says that he “...has seen how well the organization works together. It creates a comfortable and supportive work environment.”

Osvaldo (Ozy) Sanchez is currently training out of Leary Headquarters in Tinley Park, IL. He will eventually be deployed internationally to service its expansive customer base. Ozy comes to Leary with ten years of field service experience in the envelope converting market of paperboard packaging. Ozy says, "I look forward to meeting new people and learning about the paperboard packaging industry from a different vantage point."

Welcoming to the team, gentlemen!
